Get found in Google

Intuitive tools for search engine optimisation (SEO), so you can be found in search engines.

Continuous updates

Rocketspark is constantly developing new features. You'll have access to all the latest tools.

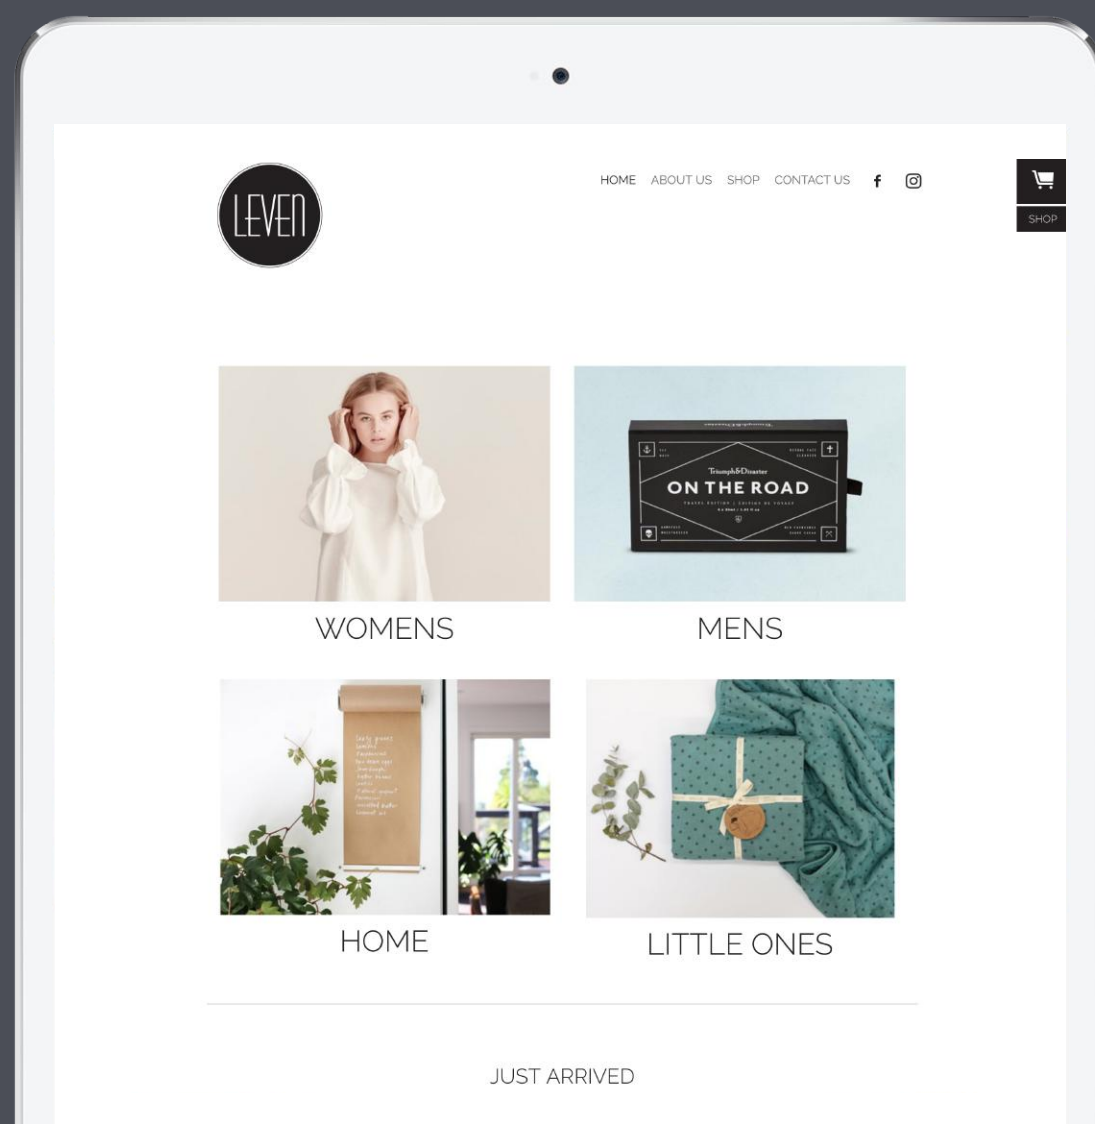

Web visitor reporting

Rocketspark connects with Google Analytics to show how visitors navigate your site.

Why use a Design Partner?

- Get face to face service from a local designer.
- Use the same designer for all your design collateral; logo, brochures and website - consistency is key.
- Get a beautifully designed site at a fraction of the cost of a large agency.
- Save time on the initial setup of your website.

Simple powerful ecommerce

Rocketspark gives you all the tools you need to create and run a powerful ecommerce store. Intuitive product management, customer accounts, promotions and coupons and much more.

Connect with your favourite add-ons

From booking systems to payment gateways and ecommerce tools. Streamline your business by connecting your website with Rocketspark add-ons.

Customers in 20+ countries

The security of a global company

Founded in 2009, Rocketspark has grown steadily and now has clients throughout the world. We have a great team of designers, developers, and customer support experts who genuinely care about making your experience with Rocketspark a great one.

What is the cost?

Your design partner will charge you an initial setup cost for the design of your website. After that Rocketspark charges an ongoing subscription that can be paid either monthly or annually.

Why does Rocketspark charge a subscription?

Your Rocketspark subscription covers ongoing support and access to all the latest features and updates on the Rocketspark platform. Rocketspark will manage all the technical aspects of your site once it's live ensuring it's always secure and up to date.

What happens once my website is live?

If you want to maintain an ongoing relationship with your designer to make website changes for you that's great. Otherwise, you can use Rocketspark's easy editing tools to update your website yourself.

What if I find cheaper hosting elsewhere?

With cheap hosting, often you'll end up paying more in the long run with techies doing plugin/security updates or risk getting hacked. All these updates are included as part of your Rocketspark subscription, as well as access to new features and Rocketspark's 5 star customer support.

Rocketspark also provides local hosting in NZ, Australia and the UK for fast response times.
